

## End of the GEE project

Today, 30<sup>th</sup> November 2022, officially marks the last day of the second [GEO-ENERGY EUROPE](#) project.

The final project meeting took place in Izmir, Türkiye, on the 17th and 18 of November 2022. The first day included presentations from each of the GEO-ENERGY EUROPE 2 Work Package leaders, and a discussion between the project partners around the future of the metacluster which demonstrated a will to continue and further develop the work of GEO-ENERGY EUROPE Project 1 and 2. The second day of the final project meeting included a visit to the geothermal power plant.
